Day 1

Arrival at New Manyatta

Your adventure begins with your arrival at our tranquil home at the base of Mt Kenya — where the serene views and our warm hospitality instantly welcome you.

After check-in, unwind by the private poolside, sipping complimentary drinks and enjoying light snacks as you take in the peaceful surroundings.

The air is calm, the sun soft against the horizon — the perfect way to ease into your getaway. As evening approaches, the warmth of a bonfire sets the tone for a relaxed night, whether outdoors beneath the stars or indoors in a cozy lounge, depending on your mood or weather.

The evening flows with laughter, soft music, and a delicious dinner prepared to your liking. Retire to your elegant suite for a peaceful overnight stay, ready for the days of exploration ahead.

Day 2

Aberdare National Park

Wake up to a hearty breakfast before departing at 7:00a.m. with packed lunch for a full day safari through Aberdare National Park. Discover the mist-covered highlands, lush bamboo forests, and rich alpine vegetation as you ascend to elevations reaching 3,000 meters above sea level. The Aberdare is a world of its own — home to elephants, buffaloes, black rhinos, and the elusive bongo antelope.

Amid breathtaking landscapes, enjoy your lunch near one of the park's famous waterfalls — a magical picnic surrounded by the roar of cascading waters and the scent of wild blooms. In the evening, return to your retreat for a refreshing swim, light outdoor games like darts or badminton, or relaxed indoor fun like chess, cards, or shared stories of the day's sightings. The day concludes with a beautifully set dinner table and another overnight stay.

Day 3

Ol Pajaja Conservancy

After breakfast, set out for a half-day safari through Ol Pejeta Conservancy—home to some of Africa’s most iconic wildlife. It is a strictly protected species reserve where you can admire rhinos, elephants, lions, zebras, and giraffes; even get to visit the orphaned or sick animals and get close to rhinoceros. The conservancy’s deep commitment to conservation adds meaning to every sighting — you’re not just observing nature, you’re part of its protection.

After the safari, return for a late hearty barbecue lunch of grilled lamb and with salad—the perfect indulgence after a morning in the wild. Spend your afternoon in pure relaxation; lounge by the pool, sip on cocktails, or enjoy a soothing massage upon request. As night falls, dinner is served under soft lights and lit indoor fire—a gentle close to a wild day! Enjoy another overnight stay
